WE SEE THE POSSIBILITIES

SUMMER CAMP

GRADES 1ST - 12TH

FREE!!

Our Next Generation (ONG) is offering our **FREE** 8-week, full day summer camp. Our program provides academic and enrichment activities that help prevent summer learning loss and give students a fun and engaging summer experience they'll never forget!

Mornings focus on literacy, math and science projects presented in unique ways with dedicated staff, volunteers and specialists. Campers will enjoy activities through storytelling, web-based teachings, nature exploration and more! Afternoons are reserved for recreation and learning through exploration, free play, games, sports outdoor activities, dance, art, and music. We will embark on field trips, participate in zoo camp, offer piano lessons, create arts and crafts, enjoy daily nutritional meals, and have lots of fun!
